

To Our Valued Exhibitors, Sponsors, Speakers, Members and Event Attendees:

We have all been touched by the unprecedented outbreak of COVID-19 and this rapidly changing situation. The coronavirus has affected virtually every industry, and the business climate changes daily, even hourly, with an immediate impact on those events and our lives scheduled for the next 4 – 6 weeks.

With that we have come to the decision to postpone the April 22nd event and will reschedule sometime in the Fall, most likely in September. We will communicate the new date once it's secured.

We share your concerns about the virus and have been closely following the developing news and the current response/recommendations from our federal, state, and local officials. The health and safety of our exhibitors, and all attendees is our top priority, and we will closely monitor the situation and follow the guidance of industry experts and health professionals.

Of course, this is an ever-changing situation and set of circumstances, which we will continue to monitor on a daily basis. We will keep in close contact with updates and any possible changes over the coming weeks.

We also want to thank the attendees who have purchased tickets, and our sponsors and exhibitors who have committed to help produce this spring's event. We are committed to treating our guests and stakeholders - as we always have - in a fair and respectful way, please contact me if you should require a refund, otherwise we will carry all funds to the events rescheduled date.

We hope you share our optimism that with a collective, conscientious effort from us all, these trying times will pass and brighter days will prevail.

In the meantime, wash your hands frequently, and stay safe.

Thank you again for your ongoing support, as well as your continued engagement with us during this dynamic time.

Sincerely,

Jim

Jim Loftus and the collective chapters of the New Jersey AFAA and SFPE
